Swarna Andhra and Swachha Andhra -
“Opportunities in Environment”

The theme for December 2025 in the SASA program is "Opportunities in Environment". This theme focuses on creating livelihood and entrepreneurship opportunities in the environment sector, with emphasis on solid and liquid waste management and resource recovery. You expose students to skills like waste segregation, composting, recycling, and upcycling to support self-employment and local enterprises. The goal is to link environmental protection with income generation and sustainable community development.

Dr. M. Bhaskar Reddy
M.Sc., M.Phil., Ph.D.
